Dear Permittee,

This letter acknowledges that you have submitted one or more Discharge Monitoring Reports (DMR) as part of the permit requirements under EPA's 2008 Multi-Sector General Permit (MSGP). Thank you for submitting your DMR form. Unfortunately, EPA was unable to process your DMR form in the eNOI system because some information was missing. In order for EPA to process the DMR, all fields on this form must be completed. A DMR form cannot be processed in the eNOI system without the following information:

Missing Information:

Comments:

- **QUESTION B.1 – Please provide the correct spelling of facility name.**
- **QUESTION B.3 – Please provide the email address of the Facility Contact.**
- **SECTION F – Please provide the email address of the Facility Contact.**

You may resubmit a revised DMR form to the NOI Processing Center. However, if any information is still missing on the DMR form, we will continue to be unable to process your DMR form. You can use EPA's electronic Notice of Intent (eNOI) system to reduce the amount of time to resubmit your DMR. You can access the eNOI system by visiting <http://www.epa.gov/npdes/stormwater/enoi>.

We apologize for the inconvenience and delay in contacting the permittee to request more information to process your DMR. EPA recognizes this delay is due to a processing glitch where EPA was unable to generate a formal Information Request Letter (IRL) when processing the DMR form in the eNOI system. The permittee is not responsible for this processing glitch.

If you have questions about your DMR form or questions on how to use the eNOI system and submit your DMR electronically, please call the EPA NOI Processing Center at 1-866-352-7755 (toll free) or email [noi@avanticorporation.com](mailto:noi@avanticorporation.com). Thank you for your patience and cooperation. EPA requests that the permittee resubmits a new DMR form within 30 days upon receipt of this letter.

Sincerely,  
EPA NOI Processing Center
